## 2010 Great River Energy Scholarship Program Requirements

Please include the following information in your application:

- 1. The attached activity form listing your:
  - Extra-curricular activities;
  - Volunteer activities; and
  - Jobs that you have held (including farm-related jobs).*For each of the above, include number of years involved, any awards or special achievements earned, and a contact person for verification.*
- 2. Your most recent academic transcript from high school.
- 3. A two-part essay:

### PART ONE:

Tell us about yourself including highlights in your school, community and personal life. In addition, below is a list of topics to help you guide your essay content, use some or all of the topics in your essay to help the scholarship committee get to know you. Tell us about:

- Your demonstrated leadership skills;
- Your future goals and plans-personal and career;
- A special attribute or accomplishment that sets you apart from others applying for this grant;
- Why are you the best candidate for this scholarship;
- How will this financial assistance help you attend the college of your choice?

### PART TWO:

How your future career will play a role in North Dakota's energy future. This can either be as a direct job in the energy industry (power plant operator, supervisor, lab worker, maintenance mechanic, etc.) or an indirect job that has an impact on the industry such as a teacher who includes energy education as part of a curriculum, a doctor who works in coal country, etc.

***(think outside the box).***

*The essay must be typed, double-spaced and a maximum of three pages long. Correct grammar, spelling and neatness are an essential part of this essay.*

- 4. One letter of reference from a teacher, counselor or employer.
- 5. The attached application form.

Mail the completed application packet to the address below. Any applications postmarked after **March 31, 2010**, will not be accepted.
